To

Chief
The Secretary to the Government of
His Highness the Maharaja of Mysore,

~~Deputy Commissioner~~

SIR,

Adverting to Government Order No.G.11568-80/P.P.

134-18-91 dated the 14th December 1918 prescribing the returns to be furnished by the various officers in connection with food supply arrangements, I have the honor to state as follows:--

The officers empowered to issue licenses are required to send intimation of licenses issued by them immediately on issue. I do not think that it is the intention of Government to have on record a list of all the licensees in the State. If the idea is only to ascertain and ensure that each locality is provided with an adequate number of licensed dealers, it will, in my opinion, be sufficient if a periodical return from every licensing officer showing the number of licenses issued by him in each place is received. A statement in the following form to be submitted every week by the Deputy Commissioners and Presidents of the City Municipalities may be prescribed for the purpose.

ity.	Number of licenses in force at the beginning of the week.	Number of licenses issued during the week.	Number of licenses withdrawn or cancelled during the week.	Number of licenses at the end of the week.			
				Whole-sale licenses.	Retail licenses.	Sante licenses.	Total
